

## BRUSH PICK UP PROGRAM:

1. Brush pick up will be limited to no more than a pile sized 12' long by 8' wide by 6' high at any single residence. Residents/Maintenance crews who exceed this limit will be responsible for disposal
2. All brush must be cut in no more than 8' lengths with all limbs trimmed from branches and stacked in an orderly manner. Diameter of branches or trunks should not be more than twelve (12") inches. Pick up will be approximately every seven days.
3. This program was designed as residential pick up for routine maintenance by residents and for storm damage only. This program was not designed for tree removal.
4. All materials generated for tree removal will be the responsibility of the homeowner/contractor for disposal.
5. Any person found dumping brush on road right-of-way, not generated from adjacent property, will be fined for illegal dumping.

## GRASS:

Loose grass and clippings on road side **MUST BE BAGGED**. Please inform your lawn service of this change. The City will not be responsible for damage to lawns due to material left on road side not bagged.
